## PROFILE SUMMARY

PhD student with a multidisciplinary background, specializing in semantic text corpus analysis and scientific information communication & knowledge dissemination within the digital society.

## EDUCATION

- April 2022 - now **PhD student in Information and Communication Sciences**, *Université Claude Bernard Lyon 1* | *ELICO Research Team in Information and Communication Sciences*, **Lyon, FRANCE**
- PhD Thesis under the supervision of [Chérifa Boukacem-Zeghmouri](#) and [Marc Bertin](#), funded by the French National Research Agency ([Projet TheoScit](#)).
  - **PhD Subject** : Study and classification of citation contexts for the construction of semantic relational indicators.
    1. Analyze citation contexts to understand citation semantics, which refers to why and how articles are cited, while taking into account multidisciplinary aspects.
    2. Constitute a corpus of citation contexts annotated with different citation functions for reuse, to better understand relationships between scientific articles through citation practices.
  - Participated in Arqus (European University Alliance) Mentoring Program from Oct. 2023 to June 2024 (Mentor : Dr. [Piotr Malak](#), **Wrocław University, POLAND**).
  - Participated in the workshop " Scholarly Reading and Writing in The Age of AI " at **Johannes Gutenberg-Universität Mainz, GERMANY**, in March 2023.
  - Participated in the award ceremony for outstanding doctoral theses at **Universität Leipzig, GERMANY**, in Nov. 2022.
- 2019 - 2021 **Engineer Diploma in Data Science**, *École Centrale de Nantes*, **Nantes, FRANCE**
- **Competences** : Natural Language Processing, Signal and Image Processing, Automatic Speech Recognition.
- 2015 - 2019 **Bachelor Degree in Environmental Engineering**, *Harbin Institute of Technology*, **Harbin, CHINA**
- International exchange student at École Centrale de Nantes, FRANCE, from Sept. 2018 to May 2019.
  - Participated in the Career Pathways to International Organizations Program at the University of California, Los Angeles (**UCLA**) in the **United States** for three weeks in Jan. 2017.

## TEACHING EXPERIENCE

- Oct. 2022 - now **Teaching assistant (ACE) (121 hours Teaching/Observing in French)**, *Department of Computer Science at Université Claude Bernard Lyon 1*
- Master Program IMST (Scientific and Technical Information and Mediation)
  - Bachelor Licence Pro DIST (Scientific and Technical Data and Information)
  - Bachelor Computer Science

## WORK EXPERIENCE

- April - Sept. 2021 **Data Scientist NLP**, *Datalab | General Directorate of the National Gendarmerie (DGGN)*, **Issy-les-Moulineaux, FRANCE**
- Developed and trained a coreference resolution language model for French spoken text and implemented the code using Python and PyTorch for deep learning framework.
  - Performed automatic semantic analysis of text corpus collected from the online pre-complaint platform
